

## **CITY OF RALEIGH PARKS, RECREATION AND CULTURAL RESOURCES DEPARTMENT**

### **REQUEST FOR QUALIFICATIONS**

### **ENGINEERING SERVICES FOR WALNUT CREEK GREENWAY TRAIL AT TRAILWOOD DRIVE**

#### **Project Contact:**

**Todd Milam, Greenway Planner**

The City of Raleigh Parks, Recreation and Cultural Resources Department invites qualified firms to submit qualifications for professional engineering design services to include: greenway planning, engineering design and bid assistance/award for the Walnut Creek Greenway Trail Project at Trailwood Drive.

The professional services that may be required to undertake this project include, but are not limited to: Civil Engineering, Structural Engineering, Hydraulic Engineering, Environmental Engineering, Natural Resource Management, Surveying, Cost Estimation, Project Management, Geotechnical, and Public Engagement. Responses should demonstrate overall qualifications to fulfill the requirements of the scope, to implement project planning, construction documents, project permitting, bid assistance and award.

#### **Scope of Work**

The scope of services generally includes the planning, design, engineering, permitting, bid assistance/award, public engagement, and some project management during construction for the project.

For a copy of the full Request for Qualifications and any specific questions regarding the Request for Qualifications should be directed via email to Todd Milam.
